Voluntary Fundraising Co-ordinator

Nibbles Rodent & Rabbit Rescue is looking for a passionate and dedicated volunteer to join the team and to help with the organisation and running of fundraising events throughout the year. There is also a possibility for the successful applicant to become more involved with the charity as a whole including becoming a trustee, and fostering the animals we have looking for homes.

You would need to:

- Be able to dedicate at least 5-10 hours each week to the role, sometimes more when running events
- Be able to work as part of the team as well as on your own with various tasks
- Be over the age of 18
- Be confident with using social media and sites such as PayPal (although training can be given if needed)
- Previous experience would be beneficial but we are far more interested in an applicant's passion and dedication to the role
- An ability to think outside the box to come up with new and fun ways to help raise funds for the centre
- Be able to travel to Nibbles HQ for meetings (*Nibbles HQ is located 6 miles outside Cardigan*)

This position will involve:

- Contacting companies and celebrities for item donations and sponsorship for different fundraising events throughout the year
- Running online auctions, competitions, raffles each month via the Nibbles Facebook Page
- Helping to access new fundraising platforms and promote the current ones

Full training and support will be given to anyone wishing to take on this role and join Team Nibbles. If you have the time, dedication and passion to put into this role, and make a difference to the lives of unwanted rodents and rabbits, we would love to hear from you!

Voluntary Fundraising Co-ordinator
