Ideas to Help Inspire You

5ftx6ft child's playhouse with 9ftx6ft walk in run

8ftx4ft dog kennel with 6ftx6ft walk in run

6ftx4ft garden shed with 9ftx4ft walk in run

The Freedom Bothy by Manor Pet Housing

Walk In Double Rabbit Hutch by Boyles Pet Housing

6ftx2ft hutch with 6ftx8ft run under by The Welfare Hutch Company

We follow the guidelines set out by The Rabbit Welfare Association & Fund

For a **24/7 home** for a pair of average size rabbits you will need a **minimum of 60ft²**

This translates to an enclosure measuring **10ft x 6ft**

Within this space a sheltered sleeping area is required

For example: a 6ftx2ftx2ft hutch with a 6ftx8ftx2ft attached run
